We've been hearing a lot of bragging about who makes the best home made chili, so we decided it's time to find out. So we're planning a chili cook off, complete with a pot luck chili dinner for all after the competition on **Saturday**.

We'll supply the bowls and all the fixin's, and of course the CVA punch. You bring the Chili to compete, or just to share, or a side dish. We'll have prizes for the best chili & best Van
